About this important fundraising initiative:

Due to the continuing Covid restrictions, the Holy Trinity Killiney community will not hold its biennial summer fete; an essential element of fundraising that helps meet every day parish expenses and funds special projects and the broader community. In place of this year's fete, Holy Trinity Killiney are holding a sponsored challenge and have invited all members of the community to take part, enjoying our beautiful location at this lovely time of year while raising much needed funds.

Dear Participant!

Thanks so much for taking part and in doing so helping us to raise much needed funds. What challenge you choose is entirely up to you! However if you are under 18 do please check with a parent or guardian that your challenge is safe for you to do. For some inspiration here are some simple ideas:

- "I challenge myself to walk twenty loops of my school and playground daily for five days"
- "I challenge myself to walk or run two loops of Killiney Hill daily for five days"
- "I challenge myself to a sea swim or dip daily for five days"
- "I challenge myself to complete 30 minutes of litter picking in my neighbourhood daily for five days"

For those who wish to make their donation by bank transfer here are the bank details for Holy Trinity Killiney bank account:
